# DYNAMIC DOCUMENTATION PLATFORM

Publish dynamic docs • Gather actionable feedback • Version and translate docs

## OVERVIEW

Docsie is a one of a kind dynamic documentation platform, that helps you create, translate and manage your product documentation.

## HOW DOCSIE HELPS COMPANIES WRITE BETTER DOCUMENTATION

### WRITE

Write and keep your docs up to date.  
Collaborate with your team to write better docs

### TRANSLATE

Translate docs. Keep translations up to date with AI translated docs. Connect to a marketplace of technical translators.

### IMPROVE

Gather customer feedback. See how customers interact with documentation. Apply recommended changes to improve docs and keep customers happy.

# KEY BENEFITS

## PUBLISH AMAZING DOCUMENTATION

Publish searchable docs that match your brands look and feel.

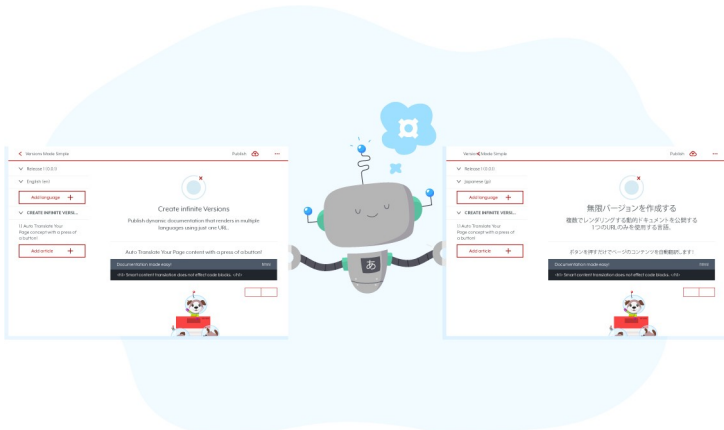

## EASILY MAINTAIN DOCUMENTATION

Reduce time and money spent on technical writing and translation.  
Documentation is written, translated and published, fast.

## TRANSLATE AND KEEP TRANSLATIONS UP TO DATE

Maximize your global reach. Help your international customers understand your product better.

“Docsie has enabled us to manage all of our documentation to serve our customers better. Their robust platform and skilled translators have made it easy for us to service our global customers.

Docsie has also allowed us to gain actionable feedback so that we could better understand the needs of our customers so that we can provide them with documentation that works!”
